

Highclere Neighbourhood Plan-housing site selection

The Neighbourhood Plan has been progressing well and policies are being developed which reflect the vision and objectives realised through the community engagement to date.

As part of this process- and as a requirement of Basingstoke & Deane Borough Council Local Plan-the Neighbourhood Plan must identify a site for at least 10 homes within the parish.

We want your thoughts!

We are holding 3 drop-in events where you can find out more information and give us your views:

When: 10th May 7-9pm

12th May 2-4pm

16th May 2-4pm

*Where: Westridge Studio

Why do we need to identify a site?

By identifying a site in the Neighbourhood Plan, the community can influence where and what development takes place.

Site Name	Rank			
	1st	2nd	3rd	4th
Mount Common				
Clere-meadows				
Flexford Field				
Oakley Farm				
Foxes Lane				

Please look at the sites shown overleaf and give your first-fourth choices, first being the most-favoured.

Following a Call for Sites, which brought forward a dozen potential housing sites, assessments were carried out to discover the suitability of the sites and the alignment with the Vision & Objectives of the Neighbourhood Plan—which have been agreed by the community.

This narrowed the list of potential sites to 5. We are now asking you, as part of the community, to tell us which sites you believe would be most appropriate.

Site locations and map outlines are for quick reference only and may not be exactly to scale
